PRAYER OF THANKSGIVING & RECOMMITMENT

All: Creator God, we give you thanks for the gifts of your creation that sustain our lives, for the air we breathe and the water we drink. Thank you for the mountains and valleys, rivers and seas that nourish our spirits.

Jesus, our teacher and friend, we give you thanks for your guiding example as we seek to love our neighbors as ourselves. Thank you for nurturing many gifts of discipleship within this church, that together we can more faithfully follow you.

Holy Spirit, we give you thanks for your stirring among us. You have inspired us to take our Christian faith seriously in a world of climate crisis. Just as you have been with us in our difficult work so far, continue to inspire and sustain us for where you lead next.

HYMN

The Climate is Changing (see below)

SHARING OUR PRAYERS (“O God, hear our prayer”)

THE LORD'S PRAYER *(using these or whichever words are closest to your own heart)*

Our Father in heaven, holy is your name. Your reign come, your will be done, on earth as in heaven. Give us today our daily bread. And forgive us our sins, as we forgive those who sin against us. And lead us not into temptation, but deliver us from evil. For yours is the kin-dom and the power and the glory forever. Amen.

CHARGE & BLESSING

Baby Shower Update

The early arrival of Baby McCoy has thrown a blessed wrench in our plans for a baby shower for Rev. Maddie. We will plan instead for a “Welcome to Church” party TBD in the spring. In the meantime, we’ll share our gifts with Rev. Maddie in worship on 9/25. You can **make your gift of cash** through Rev. John (for tax purposes) via Venmo (@John-Gage-2) or Cash App (\$johnmacivergage) or with a check made out to Rev. John with “Baby Shower” in the memo line.

Review & Reflect: Sunday, 9/25 @ 11:11am

As we contemplate making updates to our church building to empower and expand our ministries, we know we can't move forward well without reviewing and reflecting exactly how we got here. The Building Vision Team invites you to come do exactly that with Chris Busby and other members of our Board of Directors as they guide us through the twists and turns from our former capital campaign to the purchase and eventual sale of 1180 Great Plain Avenue with a focus on transparency and lessons learned for the future.

Ride... Walk... *Whatever* for Food: Sunday, 10/2

For the seventh consecutive year, our church is sponsoring a team in the *Ride for Food* in support of the Needham Community Council Food Pantry and the 260 Needham families who rely on the pantry each month. **To donate directly**, go to www.NeedhamUCC.org, scroll down and click on the PayPal button, and choose "Ride for Food" from the drop-down menu. **To participate as part of our church team** in the official 25- or 50mi bike rides or the 5K walk or in whatever way the Spirit moves you, go to www.threesquaresne.org/team/440281. There's lots more information available at www.threesquaresne.org/ride-for-food.

Trunk-or-Treat, Coming Up Soon: Saturday, 10/22 @ 2-4pm

Come help us give kids in our community some not-so-scary Halloween fun. For the fourth year in a row, we're asking you to bring your car, decorate it, and then hand

out treats to hundreds of kids and their families trunk-or-treating around our parking lot. Go to [**Sign-Up Genius**](#) now to sign up to volunteer. **WE REALLY NEED someone to donate a car to sit on our front lawn from 9/30-10/24.** If that's you, please contact Rev. John at [**revjohn@needhamucc.org**](mailto:revjohn@needhamucc.org) right away.

The Climate is Changing

The climate is changing! Creation cries out!
Your people face flooding and fire and drought.
We see the great heat waves and storms at their worst.
We pray for the poor, Lord, for they suffer first.

We pray for the animals here in our midst
who cannot defend their own right to exist.
We pray for the mountains and forests and seas
that bear the harsh footprint of our human greed.

We thank you for people who treasure the earth,
whose faith has long taught them its beauty and worth.
We thank you as well for the children and youth
who look to the future and speak out the truth.

We thank you for leaders, courageous and brave,
who know that the earth is worth fighting to save,
who care about justice and what they should do,
who listen to science and work hard for you.

You love this good earth, and you sent us your Son!
May we love our neighbors. There's work to be done.
May we, by your Spirit, do all in our pow'r
to care for your earth in this critical hour.
